

Hey Girls and PARENTS!

Horse specialty camp is right around the corner, and we are SOOOO excited and hope you are too! The horses are being worked and exercised, tack is being collected and organized and counselors and wranglers are preparing lesson plans that will be fun and informative. God is waiting to speak to all of us while we enjoy His beautiful creation and grow in our knowledge and relationship with horses and more importantly with our loving Savior.

Logistically there are a couple of things we need to cover before you come to camp that are specific to Horse Specialty camp. Therefore, here goes...

YES to [a good support bra for riding](#). An uncomfortable rider makes for an uncomfortable horse.

NO to [spaghetti string tank tops](#). 2-inch or wider shoulder straps or sleeves are great. For modesty and again riding comfort.

If you come **unprepared**, in the 'clothing department', we will send our camp registrar to purchase them for you. **The cost will be charged to your tuck account.**

We have boots up to size 10 and Equestrian Helmets for the campers to use. You're welcome to bring your own boots and helmet too. Helmets must be equestrian ASTM approved and less than 6 years old. Boots need to be sturdy leather with 1-to-1.5-inch heels and smooth sole. No hiking boots or bike helmets.

As a reminder, please leave at home (or with your parents) your personal cell phones, music players and other general electronics. If you happen to forget and bring these items with you, we will collect them and keep them safe while you are at camp. If you are accustomed to sleeping with tunes in your ear, you might want to practice falling asleep without.

Parents, if you are concerned about not being able to reach your child, there is an emergency contact number for our Registrar listed in the **Cedarbrook Clue**.

That is all for now, we look forward to seeing you all at camp.

'Little Dipper'

Heidi Tracy, Head Wrangler

PS: **PLEASE read the Cedarbrook Clue** sent out by our camp registrar (or found on the camp website). It includes a lot of general info that you will want to know about coming to Cascade Camp Cedarbrook.
